

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	129
Author	Ahuja, Lajpat R.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	RZWQM to Model Management Effects on Water Quality
Section	Section 5. Computer Demonstrations and Posters - Computer Demonstrations
Pages	pg 5-1, 7 pp.
Primary/Co-Author	C

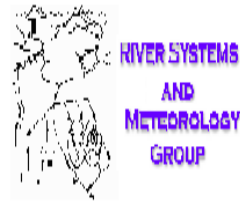

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	130
Author	Arnold, Jeffrey G.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	A System of Hydrologic Models
Section	Section 4. Hydrologic Modeling Systems
Pages	pg 4-8, 8 pp.
Primary/Co-Author	C

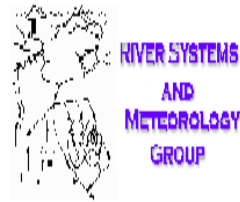

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	131
Author	Bhamidipaty, Surya, Dr.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Interior Drainage Analysis, West Columbus, OH
Section	Section 5. Computer Demonstrations and Posters - Computer Demonstrations
Pages	pg 5-62, 8 pp.
Primary/Co-Author	P

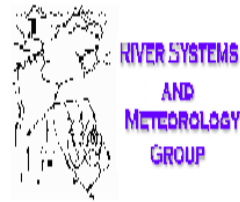

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	132
Author	Bhamidipaty, Surya, Dr.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Muskingum Basin Reservoir Frequency Analysis
Section	Section 7. Model Verification
Pages	pg 7-22, 8 pp.
Primary/Co-Author	P

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	133
Author	Boyer, Jean M.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	An Object-Oriented Approach to General-Purpose River-Basin Management
Section	Section 4. Hydrologic Modeling Systems
Pages	pg 4-16, 8 pp.
Primary/Co-Author	P

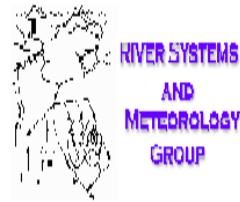

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	134
Author	Brady, T.M.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Computer Modeling of Alpine Stream Diversions
Section	Section 6. Hydrologic Modeling Systems
Pages	pg 6-9, 9 pp.
Primary/Co-Author	P

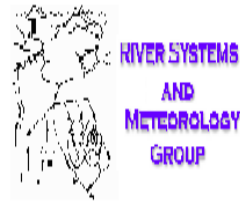

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	135
Author	Brazil, Larry E.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Pilot Project Results from a Probability Based Long Range Water Management/Supply Forecast
Section	Section 7. Model Verification
Pages	pg 7-30, 8 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	136
Author	Brewer, Mike S.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	HYDROSS Simulation Support System
Section	Section 5. Computer Demonstrations and Posters - Computer Demonstrations
Pages	pg 5-42, 5 pp.
Primary/Co-Author	P

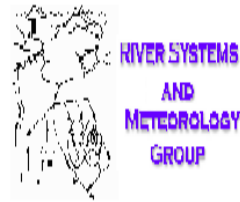

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	137
Author	Brodahl, Mary K.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Integration and Use of the Nitrate Leaching and Economic Analysis Package (NLEAP) in the GIS Environment
Section	Section 5. Computer Demonstrations and Posters - Computer Demonstrations
Pages	pg 5-28, 8 pp.
Primary/Co-Author	C

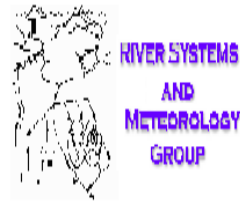

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	138
Author	Brooks, Peter F.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Automating Detailed System Regulation Studies
Section	Section 6. Hydrologic Modeling Systems
Pages	pg 6-18, 8 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	139
Author	Bruzewicz, Andrew J.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Object-Oriented Methods for Hydrologic Modeling and Remote Sensing
Section	Section 3. Integration of GIS and Hydrologic Models
Pages	pg 3-9, 9 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	140
Author	Carroll, Thomas R.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Estimating Snow Water Equivalent Using a GIS
Section	Section 3. Integration of GIS and Hydrologic Models
Pages	pg 3-18, 8 pp.
Primary/Co-Author	C

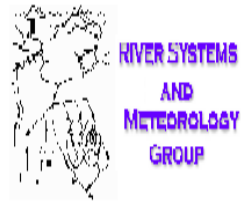

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	141
Author	Cassell, E. Allen
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Object-Oriented Methods for Hydrologic Modeling and Remote Sensing
Section	Section 3. Integration of GIS and Hydrologic Models
Pages	pg 3-9, 9 pp.
Primary/Co-Author	C

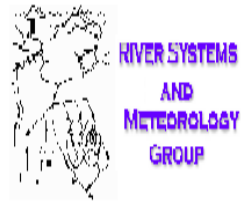

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	142
Author	Cassell, E. Allen
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Object-Oriented Simulation Modeling of Watersheds
Section	Section 4. Hydrologic Modeling Systems
Pages	pg 4-24, 8 pp.
Primary/Co-Author	C

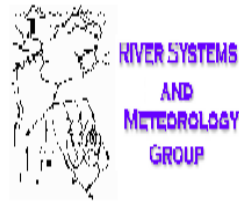

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	143
Author	Cerrelli, Geoffrey A.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	A Disparity Detected in Hydrologic Soil Grouping
Section	Section 5. Computer Demonstrations and Posters - Posters
Pages	pg 5-70, 4 pp.
Primary/Co-Author	P

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	144
Author	Cheney, R. Wayne
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Bureau of Reclamation Hydrologic Modeling Trends
Section	Section 1. Agency Overview
Pages	pg 1-24, 6 pp.
Primary/Co-Author	P

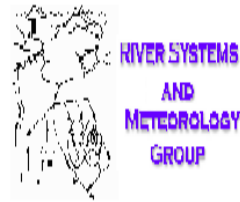

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	145
Author	Chenoweth, John W.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1988
Title	Adaption of TR-20, Project Formulation-Hydrology
Section	Section 5. Computer Demonstrations and Posters - Posters
Pages	pg 5-102, 7 pp.
Primary/Co-Author	P

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	146
Author	Christman, Jeffrey D.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Second Release of the U.S. Geological Survey's Nation Water Information System-II
Section	Section 2. Data Management and Exchange
Pages	pg 2-21, 9 pp.
Primary/Co-Author	P

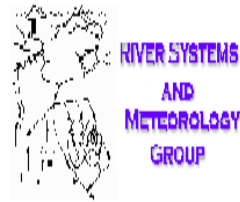

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	147
Author	Cumming, K.A.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1988
Title	Program for Daily Weather Simulation
Section	Section 5. Computer Demonstrations and Posters - Computer Demonstrations
Pages	pg 5-55, 7 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	148
Author	Daly, Steven F.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Current Issues in River Ice Forecasting
Section	Section 5. Computer Demonstrations and Posters - Posters
Pages	pg 5-74, 7 pp.
Primary/Co-Author	C

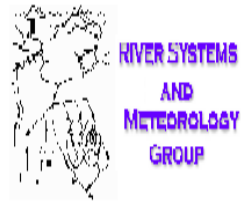

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	149
Author	Davis, Darryl W.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Recent HEC Modeling Activities
Section	Section 1. Agency Overview
Pages	pg 1-30, 15 pp.
Primary/Co-Author	C

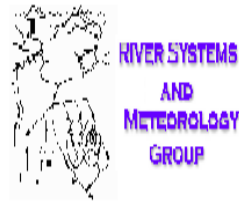

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	150
Author	Davis, Robert E.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Snowmelt Runoff Forecasting
Section	Section 5. Computer Demonstrations and Posters - Computer Demonstrations
Pages	pg 5-20, 8 pp.
Primary/Co-Author	C

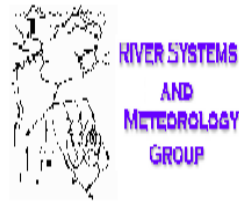

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	151
Author	Day, Gerald N.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1988
Title	Estimating Snow Water Equivalent Using a GIS
Section	Section 3. Integration of GIS and Hydrologic Models
Pages	pg 3-18, 8 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	152
Author	DeCario, EricH.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	RZWQM to Model Management Effects on Water Quality
Section	Section 5. Computer Demonstrations and Posters - Computer Demonstrations
Pages	pg 5-1, 7 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	153
Author	Dinicola, R.S.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Urban Runoff Model Calibration and Validation
Section	Section 8. Model Verification
Pages	pg 8-29, 6 pp.
Primary/Co-Author	P

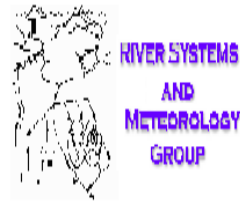

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	154
Author	Dixon, Michael J.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	The Modular Hydrologic Modeling Systems-MHMS
Section	Section 4. Hydrologic Modeling Systems
Pages	pg 4-40, 3 pp.
Primary/Co-Author	C

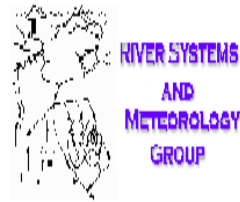

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	155
Author	Edwards, Jerry P.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Wetland Identification SCS, Missouri
Section	Section 8. Model Verification
Pages	pg 8-35, 7 pp.
Primary/Co-Author	P

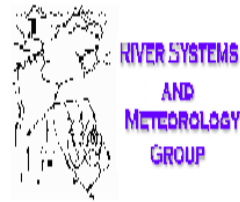

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	156
Author	Engman, Edwin T.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1988
Title	Remote Sensing for Hydrologic Models
Section	Section 2. Data Management and Exchange
Pages	pg 2-1, 8 pp.
Primary/Co-Author	P

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	157
Author	Farnsworth, Richard K.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	The National Weather Service's Transition to Hydrologic Modeling on Scientific Work Stations
Section	Section 1. Agency Overview
Pages	pg 1-45, 16 pp.
Primary/Co-Author	P

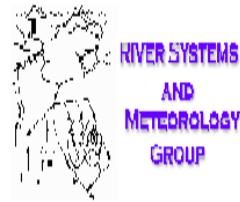

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	158
Author	Feldman, Arlen D.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Recent HEC Modeling Activities
Section	Section 1. Agency Overview
Pages	pg 1-30, 15 pp.
Primary/Co-Author	P

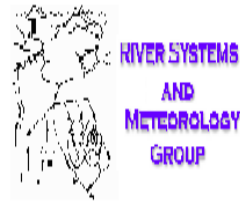

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	159
Author	Ferreira, Virginia
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	RZWQM to Model Management Effects on Water Quality
Section	Section 5. Computer Demonstrations and Posters - Computer Demonstrations
Pages	pg 5-1, 7 pp.
Primary/Co-Author	C

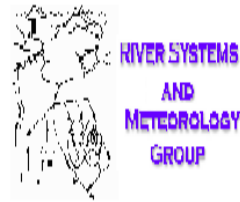

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	160
Author	Flightner, Gary R.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Automating Detailed System Regulation Studies
Section	Section 6. Hydrologic Modeling Systems
Pages	pg 6-18, 8 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	161
Author	Fread, Danny L.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1992
Title	The National Weather Service's Transition to Hydrologic Modeling on Scientific Work Stations
Section	Section 1. Agency Overview
Pages	pg 1-45, 16 pp.

ID	192
Author	Martin, W.D.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1988
Title	A Comprehensive System for Surface Water and Groundwater Modeling
Section	Section 5. Computer Demonstrations and Posters - Computer Demonstrations
Pages	pg 5-47, 8 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	193
Author	McKim, Harlan L.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1988
Title	Object-Oriented Methods for Hydrologic Modeling and Remote Sensing
Section	Section 3. Integration of GIS and Hydrologic Models
Pages	pg 3-9, 9 pp.
Primary/Co-Author	P

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	194
Author	McManamon, Ann
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1992
Title	The National Weather Service's Transition to Hydrologic Modeling on Scientific Work Stations
Section	Section 1. Agency Overview
Pages	pg 1-45, 16 pp.
Primary/Co-Author	C

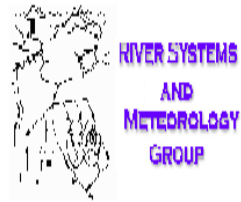

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	195
Author	McManamon, Ann
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Estimating Snow Water Equivalent Using a GIS
Section	Section 3. Integration of GIS and Hydrologic Models
Pages	pg 3-18, 8 pp.
Primary/Co-Author	P

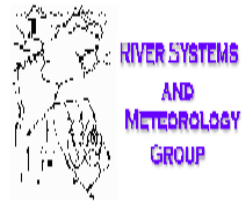

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	196
Author	Merkel, William H.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Determining Design Unit Hydrographs for Small Watersheds
Section	Section 8. Model Verification
Pages	pg 8-42, 8 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	197
Author	Foreman, Laurel
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	TR-20 Proves Viable Flood Reduction Alternative
Section	Section 5. Computer Demonstrations and Posters - Posters
Pages	pg 5-89, 5 pp.
Primary/Co-Author	P

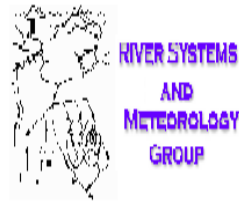

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	198
Author	Nagle, Joyce A.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1988
Title	Snowmelt Runoff Forecasting
Section	Section 5. Computer Demonstrations and Posters - Computer Demonstrations
Pages	pg 5-20, 8 pp.
Primary/Co-Author	C

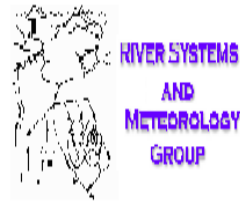

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	199
Author	Needham, Scott E.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1992
Title	ANN-AGNPS: A Continuous Simulation Watershed Model
Section	Section 4. Hydrologic Modeling Systems
Pages	pg 4-32, 8 pp.
Primary/Co-Author	P

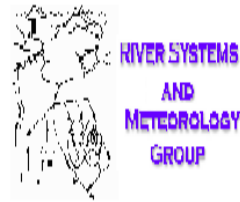

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	200
Author	Nicks, Arlin D.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	Using CLIGEN to Stochastically Generate Climate Data Inputs to WEPP and Other Water Resource Models
Section	Section 7. Model Verification
Pages	pg 7-14, 8 pp.
Primary/Co-Author	P

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	201
Author	Pabst, Arthur F.
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1990
Title	NEXGEN-HEC's Next Generation Software Development Project
Section	Section 6. Hydrologic Modeling Systems
Pages	pg 6-26, 8 pp.
Primary/Co-Author	P

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	202
Author	Page, Donna
Publication	Proceedings of the Federal Interagency Workshop on Hydrologic Modeling Demands for the 90's, Fort Collins, June 6-8, 1992
Title	The National Weather Service's Transition to Hydrologic Modeling on Scientific Work Stations
Section	Section 1. Agency Overview
Pages	pg 1-45, 16 pp.
